/////////LAST ITEM/////////

2.5.1 Field Information. The utility and as-built information provided in the drawings is the best information available. It is provided to assist the Contractor during the design of this project. The Contractor is responsible for field verifying all information given. The Contractor is also responsible for obtaining all information necessary to properly design and install all work. Gathering information during design shall be coordinated through the Contracting Officer. Any survey requiring utility locations, manhole inverts, verification of existing features, etc. shall be the responsibility of the Contractor and shall tie into the project datum.

2.5.2 Design Details and Standards. The Contractor shall provide a design and construction package using the design details given or referenced in this RFP. Additional details shall be created by the Contractor as required, but shall conform to the requirements of this RFP and are subject to approval by Government.

2.6 Specifications. The Contractor shall provide a design and construction package which uses the guide specifications provided in Volume 2 of this RFP, and in accordance with the Appendix. The guide specifications of this RFP have been edited to remove unallowable or unacceptable materials or applications. If any additional specifications are required, the Contractor shall identify the need in writing to the Contracting Officer and Government will provide the necessary specifications in electronic guide form. Specifications for items not identified in the Corps specification shall be written by the Contractor. The Contractor shall edit the guide specifications, but edits shall conform to the specific minimum standard requirements of this RFP and are subject to approval by the Government.

(3) **2.7 Environmentally Sensitive Design.** The new Visiting Quarters shall comply with LEED certification requirements version 2.1. The LEED Green Building Rating System^{TB} is a priority program of the US Green Building Council. A LEED checklist shall be provided to show compliance at the "certified" level.

(3)
